STATEMENT IN SUPPORT OF PETITION TO REVIVE

OFFICE OF PETITIONS

I, Edward S. Wright, declare and state as follows:

1. I am a member in good standing of the Bar of the State of California, a Registered Patent Attorney, and the attorney of record in this application. This statement is made in support of the accompanying Conditional Petition to Revive Unintentionally Abandoned Application.
2. At the time the application was filed, it included a nonpublication notice pursuant to 35 U.S.C. 122(b).
3. The need to file a notice of foreign filing in addition to a recision of the nonpublication request first came to my attention just recently when I saw the Reminder Notice dated April 11, 2003, clarifying the need for the additional notice. The petition to revive and the notice of foreign filing accompanying it were prepared promptly after I became aware of the Reminder Notice and had a chance to investigate.
4. The entire delay in filing the notice of foreign filing from the time the foreign and/or international applications were filed until the filing of the petition to revive was unintentional.

Executed at Palo Alto, California, this 10th day of June, 2003.

Edward S. Wright
